

COMPANY PROFILE E-CO Equipment and Contractors Limited

Our company was initially established in 2010 as Rickel Services Ltd, a subsidiary of the Ricky Raghunanan Group of Companies, providing equipment, machinery and services to the construction industry within Trinidad and Tobago.

Having identified the need for sophisticated state of the art heavy machinery to fulfil the ever changing demands of the construction sector, Rickel evolved into E-CO Equipment and Contractors Limited which commenced operations in the heavy equipment sector during 2014.

As a full-service construction provider, E-CO Equipment and Contractors Limited specialize in excavation, earthwork, site grading, erosion control, asphalt paving and concrete paving for private, commercial and government construction projects, working on several of the current development sites within our twin isles.

E-CO Equipment and Contractors Limited understand the importance of meeting the needs of our clients and thrive to work with owners and engineers to keep projects within budget and on time delivery.

Based on specific requisites of the client, our company is experienced in fulfilling the role of construction manager as we work closely with the project team for optimum results from conception to completion adhering to all stipulated criteria and objectives.

E-CO Equipment and Contractors Limited is committed to exceeding the expectations of our clients, subcontractors, and suppliers by developing relationships through integrity, professionalism, quality service and our unique blend of expertise, well trained and experienced operators coupled with advanced equipment and machinery
